YOUR ENERGY-DATA ANALYSIS

Following energy-data graphs and meters reflect important parts of your energy system.

COLOR WHEEL / YIN-YANG

Your **color wheel** gives you an overview of the complete aura color range. It is recommended to use your *aura color* or the *complementary-opposite color* to relax and balance yourself.

The graph also indicates your Yin-Yang balance. The short needle reflects the Yin-female qualities. The long needle the Yang-male-right qualities of your energy system.

A balanced Yin-Yang balance with needles close together indicates male-female energies seem to be in harmony.

If the needles are far apart, it indicates unbalanced, disharmonious, left-female and right-male energies need balancing.

If one needle is very close to the center and the other is far away, it indicates very unbalanced, one energy side might feel tense or stressed. Balancing is recommended.

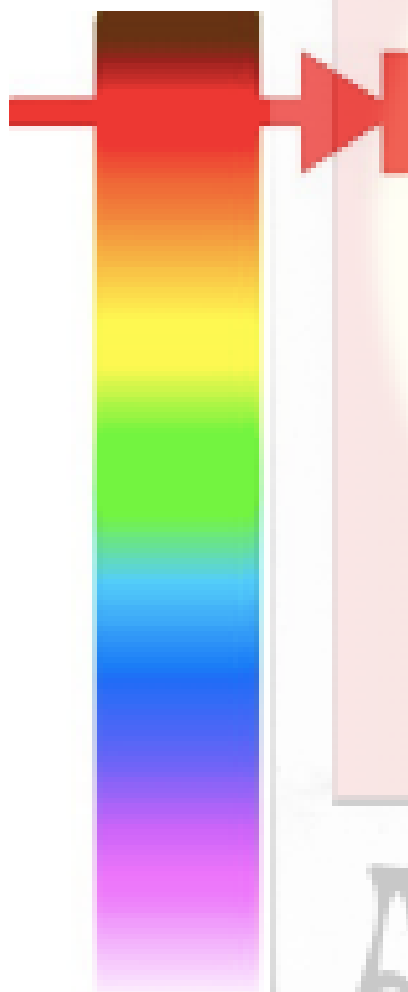

YOUR AURA CHAKRA ANALYSIS

The **AURA VIDEO STATION** measures your data through hand sensors, analyzed, processed and mapped to specific aura-chakra states.

Your **Aura-Chakra Photo and Report** gives you a colorful, visual and representation of the measured data. This information is for educational and entertaining purposes only. For any medical or therapeutic diagnosis, please consult your health professional.

STRESSED

A tense, stressed condition will register when the needle moves towards the left side.

RELAXED

If you are in a relaxed, happy state, the needle will move towards the right side of the graph.

LEFT DOMINANT

Your female, left side of your field seems to be more active than the right side. Answer these questions for yourself:

Do you feel a slight physical imbalance between your left and right sides?

Is your left side more sensitive? Are there feelings that need to be expressed?

Are you very active in your life but often don't listen to your inner voice?

HEART DOMINANT

Your heart energies seem to be very active right now. Answer these questions for yourself:

Do you have friends or family you can share your feelings with?

Do you feel strong and intense emotions in your heart at the moment?

What feelings are waiting to be expressed and shared?

STRESSED / LOW ENERGY

Is it a very stressful time for you right now? Are you going through a lot of things, working on too many projects at once? Your Aura shows that you might be very active but in reality you are using up your internal resources. You need to learn how to relax your mind and field on a regular basis. Why not take some time to unwind and recharge your inner batteries. Ask your consultant for more creative, balanced and relaxed.
